EXCERPT OF JURY RULES:

The Geneva Music Competition has a strict set of rules by which juries must abide. These include both general rules and voting procedures that change in accordance with the various stages of the competition. Here are a few defining features:

- The Preliminary Round consists in the viewing of video recordings sent by candidates. At least two members of the final jury take part in the preliminary jury.
- The Jury abstains from voting for candidates that have been their students on a regular basis during the two years preceding the competition, or that will become their students within the six months following the competition. This rule is no longer applicable during the final round.
- Members of the Jury are forbidden to communicate with participants or those close to them during the entire competition. They are required to respect the principle of confidentiality.
- The President of the Jury votes in the same way as the other members. In the event of a tie, his vote counts for two.
- Official prizes are attributed in two phases: first, the Jury establishes a ranking of finalists, then decides whether or not the best amongst them deserves a First Prize.
- All prizes are not necessarily awarded.

FEEDBACK

Participants eliminated after the Online Recital will receive written feedback from jury members. After the Semi-Final Round, jury members will remain available to candidates who have not passed to the Final Round of the competition, in order to provide feedback on their performance.

The juries' deliberations are governed by internal regulations. Their decisions are final and there is no right of appeal.

IV. MISCELLANEOUS

PROGRAMME

Selected candidates are required to send their programme prior to the final deadline of 30 June 2021.

Past this deadline, no changes may be made to the programme, unless these were to be specifically required by the Artistic Committee of the Competition.

MUSICAL SCORES

Candidates who reach the Semi-Final Round must present themselves at the Welcome Ceremony with their own original musical scores.

Additionally, they must provide one copy of each of their pieces at free choice.

During the Competition, candidates are expected to use their own original musical scores of the works they perform. The Geneva Competition cannot be deemed responsible for any fraud that might be committed by a candidate in this field (such as the public use of illegal copies).

ACCOMPANISTS

The Geneva Competition provides candidates with official accompanists. Exceptional circumstances surrounding the 2021 Edition will allow candidates selected for the Semi-Final round to benefit from substantial time to rehearse with their accompanists.

If they wish, candidates can bring their own accompanists to Geneva, at their own expense (including travel and accommodation).

During Semi-Final Round, it is mandatory to perform Mozart's Quartet with the official string players of the Competition.
